Community Development

Aspirational Blocks Program

GCPL CSR - FOCUS AREAS

❖ HEALTHCARE

- Healthcare is one of the basic necessities required by an individual. Everyone has the right to access quality healthcare. Yet to many under privileged, this right is not always accessible.
- GCPL believes that infrastructure is key to support improved standards of care and well-being for all needy patients

❖ EDUCATION

- Investment in good quality infrastructure for education is critical to harness the country's demographic advantage and to ensure sustainable development.

❖ SKILL DEVELOPMENT

- GCPL is closely engaging with rural communities and local government departments to enhance infrastructure skill and training programs. We believe such programs will empower communities and enable their sustainable development in the future.

❖ WOMEN EMPOWERMENT

- GCPL focuses on highlighting the importance of women empowerment, gender equality, education, economic independence and equal rights for women.

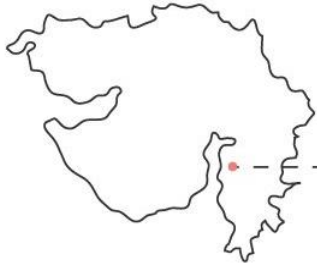

❖ COMMUNITY DEVELOPMENT

- Community development is a holistic approach grounded in principles of empowerment, human rights, inclusion, social justice, self-determination and collective action
- GCPL is supporting social services, human development, education programs and other welfare initiatives for local communities

❖ ASPIRATIONAL BLOCKS PROGRAM.

- NITI Aayog has recently launched Aspirational Blocks Programme on 7th January, 2023.
- Focuses on improving governance to enhance the quality of life of citizens in the most difficult and relatively underdeveloped blocks of India.
- GCPL is Supporting Social, human development and other welfare initiatives for local communities.
